

**XXI<sup>st</sup> EUROPEAN CONFERENCE  
ON PHILOSOPHY OF MEDICINE AND HEALTH CARE**

**Ethics, philosophy  
and public health**

15 – 18 August, 2007  
Cardiff, United Kingdom

**CALL FOR ABSTRACTS**

This conference will be organised by the European Society for Philosophy of Medicine and Healthcare (ESPMH) and the Cardiff Institute for Society, Health and Ethics. Abstracts addressing the following topics can be submitted:

The concept of public health  
The relationship between individual and population health  
The relation between clinical medicine and public health  
Health as a public good  
Health as a human right  
Resource allocation in public health  
Social inequalities in health  
Personal responsibility for health and (un)healthy behaviours  
The role of law in public health  
Ethical issues in public health research  
Public health and genetics  
Philosophical and ethical issues in relation to health systems research; health impact assessment; health promotion; vaccination / immunisation

The programme of the conference includes plenary sessions as well as parallel sessions. Persons wishing to present papers at the conference are invited to submit an abstract (500 words maximum) before **January 1, 2007**. The Conference Programme Committee will select abstracts for oral presentation. Please send abstracts (through E-mail or on diskette in Word) to:
